**Objective:**

The Cultural Committee of the Physiotherapy Department organized a series of activities from 13th to 17th October 2025 to celebrate Diwali. The aim was to foster creativity, teamwork, and festive spirit among students while engaging them in cultural and interactive events.

**Event Summary: Duration:** 5 days

**Participants:** BPT, MPT I and MPT II students and faculty members

**Attendance:** All students participated in this event. (BPT, MPT 1 and MPT 2)

**Activities Conducted:**

a) Department Decoration (13th October – 14th October)

- Students from both BPT and MPT batches actively participated in decorating the Physiotherapy Department.
- Decorations included lights, diyas, torans, and colourful motifs to create a festive ambiance.
- The event encouraged teamwork and creativity while spreading Diwali cheer throughout the department.

b) Rangoli and Diya Painting Competition (15th October – BPT Students)

- BPT students participated in Rangoli and Diya Painting Competitions.
- Students brought their own materials and created vibrant rangoli designs and painted diyas, showcasing their artistic skills and festive spirit.
- Faculty coordinators supervised the event and evaluated participation based on creativity, effort, and presentation.
- Winners were acknowledged and appreciated for their contributions.

c) Rangoli and Gift Exchange Activity (16th October – MPT Students)

- MPT students organized a Rangoli Activity alongside a Gift Exchange Ceremony.
- Gifts were exchanged with a budget limit of ₹100, ensuring inclusivity and fairness.
- Guidelines included no names on gifts and restrictions on diyas or eatables to maintain decorum.
- The activity promoted camaraderie, festive spirit, and interactive engagement among the students.

d) Conclusion & Festive Wrap-up (17th October)

- The week concluded with all decorated spaces, rangoli displays, and diyas creating a vibrant festive atmosphere.
- Students and faculty collectively appreciated the enthusiasm, participation, and creativity shown during the celebrations.

### 3. Outcomes & Highlights

- Encouraged teamwork, leadership, and creativity among students.
- Enhanced festive spirit within the department and hospital environment.
- Provided a platform for students to showcase their cultural talents and interpersonal skills.
- Strengthened student-faculty interaction in a fun and engaging setting.
